SALON

Hello
Gorgeous, we are so glad you are here to join us!

Our salon was founded in 2018 by Karri Graves, who has been in the beauty industry for over 30 years. Karri grew up in a small town in East Texas and always loved the pretty things. She even wore her sparkly bracelets in the grand entry of the rodeo when she was a child. When it came time to decide on a career, Karri knew the beauty industry was perfect for her. Karri has based her Lee Graves Salon team around one core philosophy, helping women feel beautiful!

Karri's family went to the beach every year growing up. That love for the beautiful water and peaceful feeling of the ocean has inspired the blue colors in the decor of the salon, with a little added sparkle, of course.

Whether it be our relaxing decor, our amazing organic hair products, or our talented team of stylists, we hope you thoroughly enjoy your visit here at Lee Graves Salon.
